### WHO

Winter Camp is for all 6-12<sup>th</sup> grade students. Feel free to invite friends!

### WHAT

Students get away from the distractions of everyday life.

Students build meaningful relationships with each other through worship, incredible activities, small groups, and making fart noises at bedtime.

We teach students how to have a better, more fulfilling relationship with God.

Small group leaders have rich opportunities to engage their students.

#### Phones

Parents, we must emphasize one last time that this will be a phone/communication device-free weekend for students. Removing students from the distraction and attachment of their phone is an integral part of creating space for the Holy Spirit to speak, move, and transform. At Camp Drop Off, we will provide you with the phone number of your child's cabin leader in case you **need** to get in touch with your child over the course of camp!
